The Christian Herter Society

The Christian Herter Society recognizes supporters who make annual contributions of \$1,000 or more to SAIS. The society honors former Secretary of State Christian A. Herter, a distinguished diplomat and public official who co-founded the school with Paul H. Nitze in 1943 to prepare future leaders for careers in international affairs.

Gifts to the Christian Herter Society provide much needed funds for financial aid, ensuring the school can attract the best talent and that students have the financial freedom to pursue any career they choose, including those in public service and nongovernmental organizations.

Member benefits include:

- Recognition in *SAISPHERE*, our annual award-winning publication
- Priority invitation status for lectures and events
- Two tickets to commencement in Washington, D.C.
- Quarterly updates with news of SAIS programs, professors and students
- Opportunities to participate in special forums with SAIS alumni, faculty and experts discussing salient issues of the day

For more information about the Christian Herter Society or to discuss your gift in person, contact Michael Roberts, senior development associate, at 202.663.5640 or mroberts@jhu.edu.

We extend our gratitude to each donor who made a contribution or commitment to the Paul H. Nitze School of Advanced International Studies and its centers during our fiscal year, **July 1, 2007–June 30, 2008**. Gifts and pledges received during fall 2008 will be acknowledged in the next issue of **SAISPHERE**. Donor lists are checked carefully each year; however, in the unfortunate event of a tan error, please notify us at 202.663.5641.

SAIS Legacy Circle

The SAIS Legacy Circle is an honorary society of alumni and friends who have named SAIS in their estate plans. Members of the Legacy Circle invest in the vision of the school and ensure SAIS's standing as a premier institution of study in international relations. Gifts through estates and other planned gifts are critically important in helping SAIS to:

- Provide necessary financial aid to excellent students
- Attract and retain outstanding faculty
- Expand and adapt program offerings to meet the challenges of a rapidly changing international environment

"The exceptional education I received at SAIS was made possible by thoughtful, forward-thinking people who invested in the school many years before. In that same spirit, I have included a bequest for SAIS to help ensure the school's strong academic standing and policy strengths, so that future generations of students may benefit. Who can resist the urge to invest in the future?"

—John E. Osborn '92, member of the U.S. Advisory Commission on Public Diplomacy

For more information about SAIS's Legacy Circle or to discuss a bequest or other planned gift, contact Spencer Abruzzese, associate director of development, at 202.663.5646 or sabruzzo@jhu.edu.
