We extend our gratitude to each donor who made a contribution to the Johns Hopkins University Paul H. Nitze School of Advanced International Studies during our Fiscal Year, July 1, 2015 – June 30, 2016. Gifts and pledge payments received during the fall of 2016 will be acknowledged in next year's donor honor roll. The donor lists are checked carefully each year; however, in the unfortunate event of an error, please notify us at 202.663.5641 or saisdevelopment@jhu.edu.

The SAIS Legacy Circle

The Legacy Circle is an honorary society of supporters who secure the financial future of SAIS by making a life-income gift or a gift through their estate. Whether they create a bequest, fund a charitable gift annuity, or designate SAIS as a beneficiary of a retirement plan, these individuals ensure SAIS's continued standing as a premier institution of study in international relations. Their gifts have long-lasting impact:

- Providing excellent students with necessary financial aid
- Attracting and retaining outstanding faculty
- Expanding and adapting program offerings to meet the challenges of a rapidly changing international environment.

If you have included SAIS in your estate plans, or would like more information about the Legacy Circle, please contact Kenna Barrett, Director of Development, at 202.663.7767 or cbarre18@jhu.edu. Legacy commitments made today are counted in the \$5 billion *Rising to the Challenge: The Campaign for Johns Hopkins*, the largest fundraising effort ever in the history of Johns Hopkins. This list is current as of June 2016.
