

SAMPLE PAYMENT AMOUNTS

Below are two tables that provide examples of monthly and total payment amounts under the Standard, Graduated, and Extended repayment plans. These figures are estimates, and use an interest rate of 8.25%. Various factors, including your actual interest rate and the amount of your loan debt, may cause your payment amount to differ from the payment amounts shown in these tables. Your federal loan servicer will provide you with the actual monthly payment amount after you select a repayment plan.

SAMPLE PAYMENT AMOUNTS (CONTINUED)

Below are three tables that provide examples of monthly and total payment amounts under the IBR, Pay As You Earn, and ICR Plans. These figures are estimates, and use an interest rate of 8.25%. The figures also make an assumption that you are single, do not have anyone else in your household, and that you live in one of the 48 contiguous states. Various factors, including your actual interest rate, the amount of your loan debt, your income, and whether and how quickly it rises (these figures assume income increases 5% per year), may cause your payment amount to differ from the payment amounts shown in these tables. These figures use the 2013 Poverty Guidelines (published by the U.S. Department of Health and Human Services) and Income Percentage Factors.
