Some admitted candidates may be required to take the Johns Hopkins SAIS Summer and/or Pre-Term English course to ensure they have adequate competence in English prior to beginning their first semester.

Please indicate the economics courses taken, first in the theory area, then the quantitative area, and then field courses. Admitted applicants who have not satisfied this requirements will be required to take the MAGP–Online Principles of Economics course and receive a B- or higher prior to starting the on-campus portion of the MAGP program.

Economics course work and grades listed in the application must be reflected on transcripts. If economics course work will be completed between the time of application and enrollment at Johns Hopkins SAIS, transcripts must be submitted as soon as the courses are completed and before an applicant's first semester.

Only list courses for which you received a grade of B- or better; do not list courses not taken for a grade.
