- **Long-Term History** – Founded in 1947, Paxton is celebrating 60 years of quality moving services and is a third generation family-owned business.
- **Atlas Van Lines Agent** – For over five decades, Paxton has been a member of the Atlas network – the nation's second largest van line. Atlas is agent owned with nearly 400 domestic U.S. agents, and Paxton has been a perennial top ten booking agent in the Atlas system.
- **International Expertise** – With offices in London, Kabul, Baghdad, Peshawar, and Dubai, Paxton International annually coordinates over four million pounds of personal belongings destined to virtually every country around the world.
- **Quality Certifications** – Paxton has been awarded ISO 9001:2000 quality certification, which ensures adherence to quality standards anywhere in the world. Paxton has also obtained a FAIM ISO designation, is a FIDI accredited international mover, and has been awarded an ISO 14001 environmental certification.
- **Award Winner** – For six consecutive years, Paxton has received the prestigious Atlas Milt Hill Quality Award, exceeding Atlas criteria – from customer satisfaction ratings and weight estimating accuracy to claims ratios, safety points, and warehouse ratings. Atlas has also recognized Paxton with Hauling Excellence and Superior Packing awards.
- **Advanced Technology** – Paxton's technology systems provide the latest advances for monitoring and managing shipments, storage, billing operations and claims administration, with 24/7 client access.
- **Empowered Staff** – Paxton has more than 500 employees worldwide and empowers our staff to make decisions and resolve issues quickly and efficiently.
- **Ongoing Driver and Crew Training** – Paxton provides on-site training for all drivers and crews, as well as access to 450 online training classes through the Atlas Academy.
- **Extensive Warehouse Storage** – With domestic facilities in Springfield, VA, Alexandria, VA, Manassas, VA, Richmond, VA and Charlotte, NC, Paxton owns more than 318,000 sq. ft. of usable warehouse space, with humidity and climate controls, accommodating in excess of 12 million pounds.
- **Large Fleet Size** – With more than 250 trailers, tractors, straight trucks, and cargo vans, Paxton has the fleet to meet the needs of any shipment.
- **Low Claims Ratio** – Paxton handles all claims in-house and has one of the lowest claims ratios in the industry.
- **One Source** – Paxton is a single source provider for all transportation needs, including household goods, warehouse storage, office moving, record retention, and international shipping.
