Welcome 

**WELCOME TO NET PARTNER!**

The Johns Hopkins University School of Advanced International Studies (SAIS) offers several kinds of financial aid options awarded on the basis of need and merit. Information and assistance with applying for aid is provided to students through the Office of Student Financial Aid.

**Scholarship Applicants:** Candidates should recognize, however, that although SAIS does offer limited scholarship/fellowship funding each year, the cost of attending school is significant, so students should plan carefully. Very few SAIS scholarship awards cover full tuition, and they do not include living stipends. Students are therefore encouraged to seek other sources of funding in addition to applying for a SAIS scholarship.

### Continuing Students:
